

**BASTROP COUNTY WATER CONTROL AND
IMPROVEMENT DISTRICT #2**

**REQUIREMENTS FOR NEW CONSTRUCTION
WASTE WATER CONNECTIONS**

All new construction homes in Tahitian Village, which will be connected to the BCWCID # 2 wastewater system, must have the following items for wastewater service.

MARK W/STAKE THE 4" OR 3" SEWER SERVICE
OUTLET 220 VOLT 20 AMP Breaker in the Breaker Panel
10/3 Electrical wire stubbed out where the sewer stub out on
the house is located

I have read and understand the requirements for a wastewater connection.
